Love like a road that never ends  
How it leads me back again  
To heartache  
Ill never understand  
Darling, I put my heart upon a shelf  
till the moment was right, and I told myself

The next time I fall in love  
Ill know better what to do  
The next time I fall in love  
Ooo ooo ooo ooo ooo ooo  
The next time I fall in love  
The next time I fall in love  
It will be with you

Now as I look into your eyes  
Well I wonder if its wise  
To hold you like Ive wanted to before  
Tonight I was thinking that you might  
Be the one who breathes life in this heart of mine

The next time I fall in love  
Ill know better what to do  
The next time I fall in love  
Ooo ooo ooo ooo ooo ooo  
The next time I fall in love  
The next time I fall in love  
It will be with you

Next time Im gonna follow through  
And if it drives me crazy  
I will know better why  
The next time I try

The next time I fall in love  
Ill know better what to do  
The next time I fall in love  
Ooo ooo ooo ooo ooo ooo  
The next time I fall in love  
The next time I fall in love  
It will be with you
