The bird with feathers of blue is waiting for you  
Back in your own backyard  
You'll see your castle in Spain through your  
windowpane  
Back in your own backyard

Oh, you can go to the east, go to the west, someday  
you'll come  
Weary at heart, back where you started from  
You'll find your happiness lies right under your eyes  
Back in your own backyard

Oh, you can go to the east, go to the west, someday  
you'll come  
Weary at heart, back where you started from  
You'll find your happiness lies right under your eyes  
Back in your own backyard
