I like to cook for you
In my underwear
'Cause our kitchen
Points to a wall

And I like to talk to you
While I brush my teeth
Cause I have
So much to say

I want to hear you talk to me
In any funny voice you please
It all pleases me

I want to hang off every word you say
And even though it's in my head
It all pleases me

Little white lies
Tied in a bow
Keeps me poised all day

Reflections of me

In the pictures of you
Makes me
Forget that you rest in peace

I want to hear you talk to me
In any funny voice you please
It all pleases me

I want to hang off every word you say
And even though it's in my head
It all pleases me
I want to hear you talk to me
In any funny voice you please
It all pleases me

I want to hang off every word you say
And even though it's in my head
It all pleases me
