You see me there but I ant no fool,
IÂ'm one smart Frenchmen never been to school
You want to get some-where in a Creole town
Stop and me show you around

Chor

You let the Bon Ton Roula, you let the mule-a bool-a
Now donÂ't you be no fool-a, you let the Bon Ton Roula

I got a Creole gal, sheÂ's one fine dish
But sheÂ's got wayÂ's like the old craw-fish
She donÂ't know nothÂ'n, but raise sand all night
But when it come to makÂ'n love, sheÂ's al-right

Chor

If you want to have yourself, some real-fine fun
Go down to Louisiana and get you some
YouÂ'll find her cuttÂ'n cane all down the line
I got a cotton picker, sheÂ's really fine

Chor

At the church bazaar or the baseball game
At the French tra-la it's all the same
If you want-a have fun you got to go
Way out in the country to the zydeco

Chor
