There's nothing outside my window
But the sound of the pouring rain
It oughta be breaking my heart
But I feel no pain

Trying to pick up the station
That'll carry me through this night
Got a fire to keep me warm
'Til I got you in my arms

Holding out, dug in deep
I got an island that I'm gonna keep
Close my eyes but I know I won't sleep
Holding out, oh yeah
I know love won't forget me
I gotta keep holding out

Girl, I've been dreaming about you
For the better part of my life
At least I can make it without you
One more night

I'm not afraid of the thunder
I won't run away from the storm
Let the stars fall down and break
I don't care how long it takes

Holding out, dug in deep
I got an island that I'm gonna keep
Close my eyes but I know I won't sleep
Holding out, oh yeah
I know love won't forget me
I gotta keep holding out

There's no other love in this world
I could want any more

Holding out, dug in deep
I got an island that I'm gonna keep
Close my eyes but I know I won't sleep
Holding out, oh yeah
I know love won't forget me

I gotta keep holding out

Holding out, dug in deep

I got an island that I'm gonna keep

Close my eyes but I know I won't sleep
