Love like a road that never ends
How it leads me back again
To heartache
Ill never understand
Darling I put my heart up on a shelf
till the moment was right and I told myself
Next time I fall in love
Ill know better what to do
Next time I fall in love
Oooooo oooooo oooooo
The next time I fall in love
The next time I fall in love
It will be with you

Now as I look into your eyes
Well I wonder if its wise
To hold you
Like Ive wanted to before
Tonight I was thinking that you might
Be the one who breathes life in this heart of mine

Next time I fall in love
Ill know better what to do
Next time I fall in love
Oooooo ooo
The next time I fall in love
The next time I fall in love
(it will be with you)

Next time Im gonna follow through
And if it drives me crazy
I will know better why
The next time I try

Next time I fall in love
I'll know better what to do
Next time I fall in love
Oooooo ooo
The next time I fall in love
The next time I fall in love
