Love like a road that never ends  
How it leads me back again to heartache  
I'll never understand  
Darling, I put my heart up on a shelf  
Till the moment was right and I told myself

Next time I fall in love  
I'll know better what to do  
Next time I fall in love  
Ooo ooo ooo ooo ooo ooo  
The next time I fall in love  
The next time I fall in love  
It will be with you

Now as I look into your eyes  
Well, I wonder if its wise to hold you  
Like I've wanted to before  
Tonight, ooo, I was thinking that you might be  
The one who breathes life in this heart of mine

Next time I fall in love  
I'll know better what to do  
Next time I fall in love  
Ooo ooo ooo  
The next time I fall in love  
The next time I fall in love  
(It will be with you)

Next time I'm gonna follow through  
And if it drives me crazy  
I will know better why  
The next time I try

Next time I fall in love  
I'll know better what to do  
Next time I fall in love  
Ooo ooo ooo  
The next time I fall in love  
The next time I fall in love

The next time I fall in love
