Man all alone, caught in raging water
A man overboard, caught in a terrible storm
Throw me the rope, pull me out of trouble
I need someone, someone to keep me warm

Why don't you save me?
Hey, I'm burning with desire
Why won't you save me?
Don't leave me all alone
And it's all right
Here it comes
Wrap me up, baby won't you take me home

Forty below, high up a lonely mountain
Slipping down, baby I'm sinking fast, so fast
Throw me the rope, pull me out of this trouble
S O S, I don't think I'm gonna last

Why don't you save me?
Hey, I'm burning with desire
Why won't you save me?
Come on and hold me tight
And it's all right
Don't you know, we're gonna have fun tonight

Why don't you save me?
Hey, I'm burning with desire
Why won't you save me?
Come on hold me tight
And it's all right
Don't you know, you are messin' with a man tonight

Why don't you save me?
Hey, I'm burning with desire
Why won't you save me?
Come on hold me tight
And it's all right
Don't you know, we're gonna have fun tonight

Why don't you save me?
Hey, hey, I'm burning with desire
Why won't you save me?

Come on hold me tight
And it's all right
Don't you know, messin' with a man tonight
