Since you went away I can't face the day
I just can't make it on my own
I try to be strong, try to carry on
With a broken heart in an empty home

Lyin' awake half the night without sleepin'
Hopelessly thinkin' of you
Here in my heart, I have to admit, it's true
I'm still gettin' over you

I begged you not to leave, I asked you not to run away
Oh, but you wouldn't listen
I couldn't change your mind, so you left me here
behind
Oh, how I miss your touch and your tender kissin'

Lyin' awake half the night without sleepin'
Hopelessly thinkin' of you
Deep down inside, I hate to admit it's true
But I'm still gettin' over you

Lyin' awake half the night without sleepin'
Hopelessly thinkin' of how it should be
Here in my heart, I have to admit, it's true
There's nothin' I can do, I'm still gettin' over you

Still gettin' over you
Still gettin' over you
Still gettin' over you
