Here I go again
Driving to the edge of town
I need to be alone when I'm thinkin'
With no one else around

I've always been a dreamer
And from here I dream a lot
And now I see the end of Camelot

If anyone could have a change of heart
Maybe you could change your mind
But if you're giving up, if you're letting go
Don't let me be the last to know

Here I go again
Just walking down the same old streets
I don't wanna see anybody
I wanna be discreet

I'm a firm believer
And I once believed in you
But now I can't believe all the things
You're putting me through

If anyone could have a change of heart
Surely you can change your mind
But if you're giving up, if you're letting go
Don't let me be the last to know

I'm not thinking straight, I'm not feeling great
I'm not sleeping too well
I'm not doing what I know I can, I can't help myself
Only time will tell

If anyone could have a change of heart
Maybe you could change your mind
But if you're giving up, if you're letting go
Don't let me be the last to know

If you're giving up, if you're letting go
Don't let me be the last to know
Don't let me be the last to know

Don't let me be the last to know
