No one else compares,
When she's around,
There's magic everywhere,

I still can't believe,
That she's in love with me,

(Chorus)
She's poetry that don't rhyme,
Colours outside all the lines,
So sweet she could make an angel weep,
Her spirit can not be tamed,
She's beautiful that way,
Though it seems she's a dream,
That's just Emily,

Does she even know,
That rainbows end,
Is everywhere she goes,

I think I say her name,
A million times a day,

(Chorus)
She's poetry that don't rhyme,
Colours outside all the lines,
So sweet she could make an angel weep,
Her spirit can not be tamed,
She's beautiful that way,
Though it seems she's a dream,
That's just Emily,

(Chorus)
She's poetry that don't rhyme,
Colours outside all the lines,
So sweet she could make an angel weep,
Her spirit can not be tamed,
She's beautiful that way,
Though it seems she's a dream,
That's just Emily,

She's poetry that don't rhyme,

Colours outside all the lines,
So sweet she could make an angel weep,
Her spirit can not be tamed,
She's beautiful that way,
Though it seems she's a dream,

That's just Emily,

That's just Emily,

That's just Emily.
