Like april snow blowing around in gramercy park
The two of us were never meant to last

You left your traces and drove away like a circus in
town
A three-ring show that comes and goes too fast

The best of friends have been divided by a kiss
If we can't love again
I can always remenisce

Cinderella beautiful
This one is for you
We almost made our fairy tale come true
Happy ever after was
Unavailable
Now, two years after midnight
I'm still thinking of those yesterdays
When I was prince charming
And you were cinderella beautiful

You know I don't like christmas
But thanks for the holiday card
I didn't know you moved so far away

The winter months were the usual mess
Back here in new york
Every day another shade of grey

I'm doing fine
But sometimes every now and then
I miss who I was with you
And I wonder where he went

Cinderella beautiful
This one is for you
We almost made our fairy tale come true
Happy ever after was
Unavailable
Now, two years after midnight
I'm still thinking of those yesterdays
When I was prince charming

And you were cinderella beautiful

And I know our time has come and gone away
So why do I waste my nights
Dreaming of a you and me that can never be again?

Happy ever after was
Unavailable
Now, two years after midnight
I still thinking of those yesterdays
When I was prince charming
And you were cinderella beautiful
