Comes a rainstorm
Put your rubbers on your feet
Comes a snow storm
You can get a little heat
Comes love
Nothing can be done

Comes a fire
Then you know just what to do
Blow a tire
You can buy another shoe
Comes love
Nothing can be done

Don't try hiding
It isn't any use
You'll start sliding
When your heart turns on the juice

Comes a headache
You can lose it in a day
Comes a toothache
See your dentist right away
Comes love
Nothing can be done

That's all brother
If you've ever been in love
That's all brother
And you know just what I'm speakin' of

Comes a nightmare
You can always stay awake
Comes depression
You can get another break
Comes love
Nothing can be done
Nothing can be done
