Don't keep on asking where I've been  
I'm not some guy you discipline  
Stop that crying  
No use justifying  
Baby, I changed the rules.

Don't keep me waiting at the door  
I'm not some cat that you ignore  
Keep on whining, and I'll keep on declining  
Baby, I changed the rules.

You can't stop me from shooting the breeze  
I always say and do as I please  
But don't stop trying  
You know I'm gratifying  
Keep the pace  
You're in the race  
You feel the heat right by my side  
Stay close, I'll take you for a ride  
Stimulating  
Really intoxicating  
Baby, I changed the rules

You can't stop me from shooting the breeze  
I always say and do as I please  
But don't stop trying  
You know I'm gratifying  
Keep the pace  
You're in the race  
You feel the heat right by my side  
Stay close, I'll take you for a ride  
Stimulating  
Really intoxicating  
Baby, I changed the rules  
I changed the rules  
I changed the rules
