[Verse]

Baby  
Look in to my eyes  
Baby  
I'm talkin' from my heart  
I've been trying so long  
Wasting time  
There's so much that I want to do  
There's so much that I got to do

[Chorus]

My life  
It's gonna mean somethin'  
My life  
It's gonna be that way

This time (this time)  
It's gonna be different  
My life  
It's gonna start today

[Verse]

Baby  
I know what I'm doin'  
Baby  
It's gonna take some time  
There's a part of me  
No one sees  
I know what I got to be  
And nobody knows it like me

[Chorus]

My life  
Is gonna mean somethin'  
My life  
It's gotta be that way

This time (this time)  
It's gonna be different  
My life  
It's gotta start today

[Solo]

My life  
Is gonna mean somethin'  
My life  
It's gotta be that way

This time (this time)  
It's gonna be different  
My life  
It's gotta start today

My life (my life)  
Is gonna mean somethin'  
My life  
It's got to be that way

This time (this time)  
It's gonna be different  
My life...
