Baby, don't you let me down  
(Don't you let me down)  
Don't you leave me lonely  
(Don't you leave me lonely)  
Don't you run around

I said baby  
(Baby)  
When I'm on the ground, yeah  
(When I'm on the ground)  
Try to keep my chin up, feel I'm fallin' farther down

You know I'm feelin' sorry  
But I know that won't do  
Looks like there's no tomorrow  
There's no tomorrow without you

Baby  
(Baby)  
Don't you let me down  
(Don't you let me down)  
Don't you leave me lonely  
(Don't you leave me lonely)  
Or run around

I said baby  
(Baby)  
When I'm on the ground, yeah  
(When I'm on the ground)  
Try to keep my chin up, feel I'm fallin' farther down

Remember when you smile so bright  
Raise my heart up to my throat  
Sure took hard times to drag me down  
So darlin' brighten up all of my hopes

Baby  
(Baby)  
When I'm on the ground, yeah  
(When I'm on the ground)  
Try to keep my chin up, feel I'm fallin' farther down  
Try to keep my chin up, feel I'm fallin' farther down

Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down

Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down

Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down  
Fallin' down, down, down
