I feel like letting go  
But my heart keeps saying no  
I feel like letting go  
But in the end I know

I feel like letting go  
But my heart keeps saying no  
I feel like letting go  
But in the end I know

'Cause honey you know I love you  
You know I really care  
And if you ever need me  
You know that I'll be there

I feel like letting go (feel like letting go)  
But my heart keeps saying no  
I feel like letting go (feel like letting go)  
But in the end I know

Maybe in time you'll understand  
Just what you're doin' to this man

[Solo]

'Cause honey you know I love you  
You know I really care

And if you ever need me  
You know that I'll be there

I feel like letting go (feel like letting go)  
But my heart keeps saying no  
I feel like letting go (feel like letting go)  
But in the end I know

Ooo baby, what keeps us together (feel like letting go)  
I really don't know  
And if I could walk out that door (feel like letting  
Go)  
Oh you know I would

Baby (feel like letting go)  
Come on, let me go  
But there's something inside of me (feel like letting  
Go)  
Ooh, that keeps on saying no  
Ooh baby (feel like letting go)  
Don't you know I love you so
