[Verse]

You keep me safe and warm
When I hold you at night I know I'm feeling alright
Never felt this way before
Someone's taking the time I feel the whole world is
Mine

Baby 'til the day I met you
Honey, I was lost
And I can't forget you now

[Chorus]

'Cause I found love
Like I've never known
I've found love
And it means more to me
Since I found you

[Verse]

You make me understand
That when I walk in alone I know you'll be there at
Home
I'm no longer afraid
That if I open my heart someone will tear it apart

Baby 'til the day I met you
Honey, I was lost
And I can't forget you now

[Chorus]

[Solo]

Baby 'til the day I met you
Honey, I was lost
And I can't forget you now

Yeah, yeah

[Chorus]

I found love
Like I've never known
I've found love
And it means more to me
Ooo baby

I found love (oooh-oooh)
I found love (oooh-oooh)
I found love (oooh-oooh)
I found love (oooh-oooh)
I found love (oooh-oooh)
I found love (oooh-oooh)
