Babe I'm in trouble
In trouble again
Ride on the wrong side
Still you say you're my friend
You tell me you love me
I know it's a lie
The more that you squeeze me
The more I cry

[Chorus]
And here comes trouble again
It's a kind of madness
Never ends

[Verse]
Now you can lock the door
Like so many times before
There's always a key to get in
And that key will lead you to sin
So don't try to fight it

You don't got a chance
Don't turn and walk away
It's only romance

[Chorus]

[Solo]

[Verse]
Now I've been to New York
And L.A. twice and then
Trouble will find me
It always has
And I don't know
Does it show
I feel myself slippin'
And I can't say no

[Chorus]

Here comes trouble again
And it's a kind of madness
Never ends
