I get class  
I get style  
You're in love,  
You want me to stay for a while  
Now I'll be the man by your side  
Mister Right  
Got no heart  
Got no soul  
It's so cold  
I let you think that you're in control  
It's a game you just can't win, you can't win  
Just remember

I'm a Romeo, I'm a Romeo  
Wooo, wooo  
Just a Gigo-Gigolo, Gigo-Gigolo  
Wooo, wooo  
Cause it's nothing but a game,  
Nothing but a game  
'nd I leave you crying in the rain  
Crying in the rain

I'm a Romeo, I'm a Romeo  
I'm just a Gigolo, Gigo-Gigolo, Gigo-Gigolo  
I'm your Romeo,  
'nd I leave you crying in the rain  
Crying in the rain

When we're close  
Is it true?  
Is it love?  
Your every wish is my command  
And you want to think that it's real  
Oh so real, but don't forget that

[Chorus]

Blinded and twisted  
We're spending the night  
You're in the spotlight  
With me by your side  
Come and get my lovin'  
Come and get my lovin'  
Come and get my lovin'  
'cause tonight it's gonna burn

You make me wanna

Be a Romeo, be a Romeo

Wooo, wooo

I was a Gigo-Gigolo, Gigo-Gigolo

Wooo, wooo

I don't wanna play the game, wanna play the game

'nd I left you crying in the rain,

Crying in the rain

I'm a Romeo, I'm a Romeo,

Girl, I was a Gigo, Gigo-Gigolo, Gigo-Gigolo

Oh, I'm your Romeo

I left you crying in the rain,

Crying in the rain.
