I've had some good days  
I've had some hills to climb  
I've had some weary days  
And lonely nights  
But when I look around  
And I think things over  
All of my good days  
They out weigh my bad days  
So I won't complain

Sometimes the clouds are low  
I can hardly see the road  
I ask the question Lord  
Lord, why  
Lord why  
Why, why, why so much pain?  
But the Lord knows what's best for me  
Although my weary eyes  
Oh they can't see  
So I'll just say thank you Lord  
Thank you Lord  
Thank you Lord  
I won't complain

God has been good to me  
He's been so good to me  
More than this world could ever be  
He's been so good  
He's been so good  
He's been so good  
To me

He dried all of my tears away  
Turned my midnights into day  
So I'll just say thank you Lord  
Through all of my heartaches  
Thank you Lord  
Through all of my trials  
Thank you Lord  
I been misunderstood  
But thank you Lord  
Even been lied on

But thank you Lord  
Body wretched with pain  
But thank you Lord  
Bills were due  
Don't know where the money is coming from  
But thank you Lord, thank you Lord  
Thank you Lord  
I won't complain

God has been good to me  
He's been so good to me  
More than this world  
More than this world  
Could ever be (ever be)  
He's been so good  
He's been so good  
To me (He's been just that good)  
He dried my tears away  
Turned my midnight into day

So I'll just say thank you Lord  
Thank you Lord  
Thank you Lord  
Through all of my trials  
I want to say thank you Lord  
I been misunderstood  
But thank you Lord  
Early in the morning  
When I wake up I thank you Lord  
(Thank you)  
You been so good to me  
(Thank you)  
You opened doors I could not see  
(Thank you)  
Made a way out of no way  
(Thank you)  
When I was sick  
The doctor said I wouldn't get well  
(Thank you)  
He healed my body  
Now I can say  
I just want to say  
Thank you  
Thank you  
Thank you

Nobody like the Lord  
(Thank you)

When I think of the goodness of Jesus  
(Thank you)

And what he's done for me  
(Thank you)

My soul cries out  
(Thank you)

Thank you Jesus  
Thank you Jesus  
Thank you Jesus  
You saved me

Santified me  
You baptized me  
Filled me with the holy ghost  
I want to thank you  
Nobody like the Lord  
Early in the morning  
From the rising of the sun  
To the downing of the same

Thank you Lord

Thank you Lord

I won't complain
