Verse:

Ivory goddess  
This is my final quest for you  
Lead me with your hands  
Through all this pain, I feel so cold

Nightmares are rising  
Demons in black they want my soul  
My kingdoms fall down  
A dream in a dream - my gargoyls crawl

Bridge:

Fly into darkness my dear  
The end of my kingdom is near

Chorus:

Arborlon - Land of confusion  
Arborlon - I'm lost in a dream  
Arborlon - Land of the unborn  
Arborlon - I'm lost in a dream

Verse:

Trapped in a soulcage  
Time after time I lose my mind  
Lost in a desert  
My soul is dead, please set me free

Alone with the damned child  
I look in his eyes and see myself  
Ivory goddess  
My hope is the end, I need your hand

Bridge:

Fly into darkness my dear  
The end of my kingdom is near

Chorus:

Arborlon - Land of confusion  
Arborlon - I'm lost in a dream  
Arborlon - Land of the unborn  
Arborlon - I'm lost in a dreamrborlon...
