Verse:

I am walking through the fire
Endless hate reveals a state of sorrow. Save me!
I'm the dreamer in the tower
And I dream of wisdom in a heartless world

Bridge:

Tower of despondency
Keeps me caught leaves me praying
Here I wait for judgement day
Dream my dream of salvation

Chorus:

When I look in the mirror
I see a man without a past
Trapped in his world of anger
Caught in an endless state of grief
I'm on a search for wisdom
All that I found by now is pain
Where is the way to freedom?
Am I too weak to break the chain?

Verse:

Sleepless lying in the shadow
In this cage I fell in love with madness, crying
Torn I'm waiting for some comfort
And I hide my tears in the eternal night

Bridge:

Tower of despondency...
Keeps me caught leaves me praying
Here I wait for judgement day
Dream my dream of salvation

Chorus:

When I look in the mirror...
I see a man without a past
Trapped in his world of anger
Caught in an endless state of grief
I'm on a search for wisdom
All that I found by now is pain

Where is the way to freedom?
Am I too weak to break the chain?

Bridge:
Here I wait for judgement day
Dream my dream of salvation

Chorus:
When I look in the mirror...
I see a man without a past
Trapped in his world of anger
Caught in an endless state of grief
I'm on a search for wisdom
All that I found by now is pain
Where is the way to freedom?
Am I too weak to break the chain?
