Claymore
"For Life"

Take me back for life
Because I wanna believe
In a love that survives
Because I wanna believe
Put me in your soul
This won't last too long
And hold on

Cause it's you I need
Yeah it's you I need
For life, for life

So many roads to ride
And I don't know how to feel
I want you in my sight
Cause nothing, think what is real
Put me in your soul
Make it last too long
And hold on

Cause it's you I need
Yeah it's you I need
For life, for life

Because I wanna believe
Put me in your soul
And hold on

Cause it's you I need
Yeah it's you I need
For life, for life

Cause it's you I need
Yeah it's you I need
For life, for life
