I don't know what spell I'm under  
Don't know what's gotten into me  
Lightening struck but there's no thunder  
I wonder when it's going to be  
Well I know I shouldn't do this  
But I don't feel I have a choice  
I don't seem to listen to me  
Even if I raise my voice

I tried to tell myself: Please do be careful  
Try to stop before your heart breaks  
Cause it makes no sense at all  
Will only cause me pain  
No, I really shouldn't fall in love with Patty Lane

Oooh, oooh, oooh

I tried to tell myself: Please do be careful,  
Try to stop before your heart breaks.  
Cause it makes no sense at all,  
Will only cause me pain  
No, I really shouldn't fall in love with Patty Lane
