Unlike the raging water
Unlike the passing time
Unlike the ice that's breaking
I found a rhyme
Unlike the worn out roses
Unlike the spring that's gone
Unlike the wind that's turning
I found a song, ooh
I found my song

And it's simply amazing,
How you came to me, and changed my life
How you wiped out all traces
Of the love I left behind
You stopped me,
Wanting to change my mind all the time

Unlike the darkest morning
Unlike the jars of clay
Unlike the weeping willows
I'm on my way, ooh, on my way

Ooh, and it's simply amazing,
How you came to me, and changed my life
How you wiped out all traces
Of the love I left behind
You stopped me,
Wanting to change my mind all the time

I want to make it last,
I'm going to turn around
And forget the past
Not going to turn away,
I'm going to finally stay
In one place

Ooh, I'm on my way

Ooh, and it's simply amazing,
How you came to me, and changed my life
How you wiped out all traces

Of the love I left behind
You stopped me,
Wanting to change my mind all the time
All the time, all the time
