You were born inside my heart
You were born inside my heart
You were born inside my heart
You were born inside my heart
I pushed...

I pushed Boney, I pushed Boney
He got into a mood with me
He got into a mood
We can be eroded, we can be here all day
We can be eroded, we can be here all day

How's your fame? How's your fame?
Well you didn't say you didn't want it
How's your fame? How's your fame?
Well you didn't say you didn't want it

I need it, I need it, I need it
I'm showing you fire but you lit it
I'm taking, I'm taking, I'm giving
I'm showing you fire but you lit up, yeah

You were born inside my heart
You were born inside my heart
You were born inside my heart

You were born inside my heart
I pushed...

I pushed Boney, I pushed Boney
He got into a mood with me
That's what they told me
We can be eroded, we can be here all day
We can be eroded, we can be here all day

How's your fame? How's your fame?
Well you didn't say you didn't want it
How's your fame? How's your fame?
Well you didn't say you didn't want it

You take and you take it, I'm giving

I'm showing you fire but you lit it
I need it, I need it, I need it
I'm showing you fire but you lit up, yeah

You were born inside my heart
You were born inside my heart
You were born inside my heart
You were born inside my heart
I pushed.
