S-s-sweetness

So spin with the girls in the parking lot
She says, "Yes I'd like to get to know you
You can see so I will show"

I'm not sorry
I'm not sorry
Say sorry
Say so
I'm not sorry
I'm not sorry
Say sorry
Say so

And if it feels alright
She may not be the right one
And if it takes all night
It may not be the right time

Yes I'd like to get to know you
You can see so I will show you
Yes I'd like to get to know you
You can see so I will show

And if it feels alright
She may not be the right one
And if it takes all night
It may not be the right time

Don't go
Try to tell me no
Don't go
Oh-oh-ay-oh
Don't go
Tell me something I don't know
Don't go
Break down this wall

And if it feels alright
She may not be the right one
And if it takes all night
It may not be the right time

The right one
The right time
The right time
The right one

No one, no one knows he's sorry
No one, no one knows he's sorry
No one, no one knows he's sorry
No one ever knows he's sorry now
