So you don't like yourself
That's no good, that's no good at all.
If you don't like yourself, will anybody else?

You say you hate yourself
What's all that, what's all that about?
You'd rather hate yourself than try and sort it out.

And if you're wrong about me
Then I don't want you to see me as that kind of person.

And if you're right about me
I don't want to ever to turn out as that kind of
Person.

Life can be so cruel sometimes.
Life can be so cruel sometimes.

If you can't love yourself
That won't do, that won't do at all
And how can you expect to love somebody else?

Now I don't like myself
And that's no good, that's no good at all
But now I think I know what I'll be looking for.

And if you're wrong about me
Then I don't want you to see me as that kind of person.

And if you're right about me
I don't want to ever to turn out as that kind of
Person.

Life can be so cruel sometimes.
Life can be so cruel sometimes.
