Heart and soul  
I fell in love with you.  
Heart and soul  
the way a fool would do  
madly  
because you held me tight  
(Held me tight) Held me tight (Held me tight) Held me  
tight  
(Held me tight) Held me tight (Held me tight)  
And so the kiss bear in the night.

Heart and soul  
I beg to be adored.  
Yes, and I lost control  
and tumbled overboard  
gladly  
that magic night we kissed  
(That we kissed) Oh, we kissed (That we kissed) Oh, we  
kissed  
(That we kissed) Oh we kissed (That we kissed)  
there in the moon-mist.

BRIDGE:  
Oh, but your lips were thrilling,  
much too much too thrilling.  
Never before were mine so  
strangely  
thrilling.

Darling and now I see  
what one embrace can do.  
Come on, look at me  
you've got me loving you  
madly  
that little kiss you stole  
(You stole) Oh, you stole (You stole) Oh, you stole (You  
stole) Oh, you  
stole  
(Yes, you stole) All my heart  
(You stole) and soul  
(Yes, you stole) All my heart

(You stole) and soul  
(Yes, you stole) Oh, you stole  
(You stole) my heart  
(Yes you stole) and soul...
