Hey you, are you still here?
I do not here you anymore
Tell me what do think about me
You know, everybody's talking bad
Thought I do my very best
to try to please them all
Maybe for this it is that I am still alone
But everybody knows me
So they think, disappointed!

Where are you going fly man?
No! Don't go away
Don't leave me alone
Not alone! No, no, no!

Only you really know me
You know every why of my life
Because you were there
Tell me what do you know
Will I love life?
Will I love living in this odyssey?
Or will I pin a syringe in my throat?

Oh yes, I will live, I tell you I'll live
Oh no! Oh no!
I'll never die until you stay with me
Where are you going fly man?

No! Don't go away
Don't leave me alone
Not alone! No, no, no!
Now I'm really alone
My soul left me too
Everybody was right
That I am finished

Where are you going fly man?
No! Don't go away
Don't leave me alone
Not alone! No, no, no!
Where are you going fly man?

No! Don't go away
