Come closer, hold me tight, as strong as you can  
And join me in this infinity that parts us  
And bring a dim light in this darkness  
In this sad sea of emptiness  
Hold me now, hold me tight  
Don't let the stream drag me away  
And the coldness that kills me inside

I'm chained in a cage of thoughts  
Which close on themselves  
And still this coldness hurts me  
And won't make me turn back  
And gives me no rest  
I feel that your heart  
Beats slower every day  
I feel that your heart  
Echoes farther away, away every day

I feel that your heart  
Beats slower every day  
I feel that your heart  
Echoes farther away every day

Solo

I'm chained in a cage of thoughts  
Which close on themselves  
And still this coldness hurts me  
And won't make me turn back  
And gives me no rest  
I feel that your heart  
Beats slower every day  
I feel that your heart  
Echoes farther away, every day
