Well I woke up this morning
with a wine glass in my hand
Whose wine? What wine?
Where the hell did I dine?

Must have been a dream
I don't believe where I've been
Come on let's do it again

Do you, you feel like I do?
How'd ya feel?
Do you, you feel like I do?

My friend got busted
just the other day
They said "Don't walk
don't walk, don't walk away"

Drove him to a taxi
bent the boot, hit the bag.
Had to play some music
wonder why's he a drag

Do you, you feel like I do?
How'd ya feel?
Do you, you feel like I do?

(instrumental)

Do you, you feel like I do?
Yes ya do
Do you, you feel like I do?

Champagne for breakfast
and a Sherman in my hand.
Peached up, Peached Ale never fails
Must have been a dream
I don't believe where I've been
Come on let's do it again

Do you, you feel like I do?
How'd ya feel?

Do you, you feel like I do?

(instrumental)

Do you feel like we do?

Do you feel like we do?

Oh that's true

Do you feel like we do?

Get back.

Do you feel

do you feel like we do?

(instrumental)

Oh baby do you feel?

Oh baby do you feel

feel like we do?

Do you feel

do you feel

like we do?

I want to thank you

Do you feel like we do?

That's alright, that's alright

to feel you'd like

Feel you'd like a good time

We'll go to bed and good night

Good night, good night

good night, good night, good night
