When you wake up and she's next to you  
You can't stand what she's putting you through  
Can't take no more so I'm goin' away

I can't stand it no more  
I can't stand it no more  
I can't stand it no more  
I can't stand it no more

Every day, I feel a different man  
Caught adrift and there's no sight of land  
Hey baby, do I come back to you

No, I can't stand it no more  
I can't stand it no more  
I can't stand it no more  
I can't stand it no more

Every woman made a fool out of me  
My mama told me when she set me free  
She said, "Son, you just have got to find  
Find a girl who will treat you like I do"

I can't stand it no more, I'm goin' away  
I can't stand it no more, don't ask me to stay  
I can't stand it no more, 'cause there's nothin' left to  
say  
I can't stand it no more

I can't stand it no more, I'm goin' away  
I can't stand it no more, don't ask me to stay  
I can't stand it no more, there's nothing left to say  
I can't stand it no more

I can't stand it no more, I'm goin' away  
I can't stand it no more, don't ask me to stay  
I can't stand it no more, there's nothing left to say  
I can't stand it no more

I can't stand it no more, I'm goin' away  
I can't stand it no more, there's nothing left to say
