I am swimmin' with a bird
Hanging on her every word.
I walk the wire of my desire.

Like a siren voice so sweet
Woman rocked me off my feet.
She won't let me fall from grace.
Just in case -

I need ground
Somewhere soft to land
When I come down
Somewhere it's safe to stand
When she goes down
I'm not the superman that I think I am.
I need ground.

I am floating, flying blind,
Out of body, out of mind.
Not so steady as she goes
Heaven knows -

I need ground
Somewhere soft to land
When I come down
Somewhere safe to stand
When I go down
I'm not the superman that I think I am.
I need ground.

Take me to a higher place
Look an angel in the face
Don't look now -
I need ground.
I need ground.
Somewhere it's safe to stand
When she goes down
I'm not the superman that I think I am.
I need ground.
I need ground.
I need ground.
