Ho

Can't you see I can't help myself?  
You know you really got a hold on me  
I need your love, wear jaded gold  
For once in my life, do you love me?

All this time you let me spin  
(You let me spin)  
But you don't know who I am  
(Know who I am)

I am the one who did it for you  
(Did it for you)  
I'm the invisible man

All this love, got to give it up  
But you keep me hanging on  
Tell me, girl, what's going on?  
Don't you know it's the same old song?

All this time you let me spin  
(You let me spin)  
But you don't know who I am  
(Know who I am)

I am the one who did it for you  
(Did it for you)  
I'm the invisible man

I'm pulling the strings  
In the shadows, behind the scenes  
I'm keeping the beat  
Before you know it, you'll be on your feet  
Dancing in the street

All this time you let me spin  
(You let me spin)  
But you don't know who I am  
Can't you see?  
(Know who I am)

I am the one who did it for you  
(Did it for you)  
I'm the invisible man

All this time you watched me spin  
(You let me spin)  
But you don't know who I am  
(Know who I am)

(I'm the one)  
I am the one who did it for you  
I'm the invisible man
