Lady Lieright

Go help fetch my clothes

I'm looking for my broken boots

I hope they show

Yeah, lady do right

Don't do me wrong

We've been together all this time

But that's another song

Susie Sunshine

Well, what's your game?

I'd love to keep you in my drawer

For when it rains

Yeah, where I was going?

I keep drifting away

I think, I'll go right back to bed

And I'll sleep the day, yeah

Just the other day I took you

To an Oriental restaurant

Gentleman, he took our order

In his mind

And how we said

It's nothing to fly to the moon

I sat there in a haze

Oh, how I cried aloud

I love that man today

Lady Lieright

Well, I love you so

You make me feel a million dollars

What's it worth now

Yeah, shimmering shadow

Beneath me now

Looking at you give me heart

I need it now

Lady do right

Lady Lieright
