I rock you, baby  
When I pass your way  
I give you lovin'  
You know I can't stay

Leavin' town  
Glad, I caught you now  
Nobody follow me  
I'll be back again

When I get home  
Can't wait to leave  
Back on the road  
That's where I should be

Oh, you think I'm crazy  
I've been up too long  
Give me two days off  
I'll be back as strong  
Hey, it's alright  
Hey, it's alright

I have to play  
Every night and day

When I get home  
Can't wait to leave  
Back on the road  
Where I should be  
(Yeah)

As I think back to when  
Trouble times were then  
Now I'm starting again

When I get home  
Can't wait to leave  
Back on the road  
Where I should be  
(Yeah)

When I get home

Can't wait to leave  
Back on the road  
Where I should be  
(Yeah)
