"Wind of Change"

The sweetest fragrance, it brings a wind of change
I feel it's now or die

I have itchy fingers and butterflies a strange
I hope you know that I live a lie, yeah

Take me away, take me away, faking my way through
Take me away, take me away, faking my way through

Sapphires aren't enough to buy me happiness
Diamonds don't demand me, they're just for looking

Love comes close to wrecking all I have to give
God knows, I was meant to do no cooking

Take me away, take me away, faking my way through
Take me away, take me away, faking my way through

Da da da da, like I do
Da da da da, 'cause all I do is for you
And all I do is for you, you, you

Da da da da da
Da da da da da
