Sweet Stuff

Skin and bones
Covered in drapery
A gargoyle smile
Has to be ecstasy
On the loose
Running through the undergrowth
Barefoot slipping, kicking up gravel
Bleeding like pigs, shredding in tatters
Sweet, sweet, sweet, sweet stuff.

Have you ever been happy,
Emotional smile,
Skinny kids laughing when fat kids cry.

Cadaver, cadaver
Skin and bones, skin and bones

Yeah ma
Running through the undergrowth
Barefoot slipping, kicking up gravel
Bleeding like pigs
Shredding in tatters.

Have you ever been happy
Emotional smile
Skinny kids laughing when fat kids cry
Bleeding like pigs
Shredding in
Tatters
Wrapping in shrouds
Wrapping in heather
The last one
Fat kid cries.
