[Intro]

Oh na na yeh
Oh na na yeh
Oh na yeh oh

Oh na na yeh
Oh na na yeh
Oh na yeh oh

[Verse 1]

Just like an angel from heaven
Your walking with me
I want to live here forever
So we can be
Always together

So many nights I've been crying
Crying for you
Now when I know you were lying
What can I do
When your in heaven

I never had the chance to say goodbye

[Chorus]

Angel eyes
Living in your paradise
Heaven is right by your side
Just like an angel you are

Angel eyes
Living in your fantasy
Heaven is all that you see
Just like an angel you are
Angel eyes

[Verse 2]

Why did you leave me forever
Alone in the dark
How can I live here without you
I'm missing your part
Want you forever

Can you imagine the feelings
I'm having for you
Some day I know we're together
What can I do
When your in heaven

I never had the chance to say goodbye
