i must go on standing  
you can't bring that  
which is'nt yours  
i must go on standing  
i'm not my own  
it's not my choice

be afraid of the lame  
they'll inherit your legs  
be afraid of the old  
they'll inherit your souls  
be afraid of the cold  
they'll inherit your blood  
après moi le deluge  
after me comes the flood

i must go on standing  
you can't bring that  
which is'nt yours  
i must go on standing  
i'm not my own  
it's not my choice

be afraid of the lame  
they'll inherit your legs  
be afraid of the old  
they'll inherit your souls  
be afraid of the cold  
they'll inherit your blood  
après moi le deluge  
after me comes the flood

anya, sasha, natasha
