The book of love is long and boring  
No one can lift the damn thing  
It's full of charts and facts and figures  
And instructions for dancing

But I  
I love it when you read to me  
And you  
You can read me anything

The book of love has music in it  
In fact that's where music comes from  
Some of it's just transcendental  
Some of it's just really dumb

But I  
I love it when you sing to me  
And you  
You can sing me anything

The book of love is long and boring  
And written very long ago  
It's full of flowers and heart-shaped boxes  
And things we're all too young to know

But I  
I love it when you give me things  
And you  
You ought to give me wedding rings

And I  
I love it when you give me things  
And you  
You ought to give me wedding rings  
You ought to give me wedding rings
