love I get so lost, sometimes  
days pass and this emptiness fills my heart  
when I want to run away  
I drive off in my car  
but whichever way I choose  
I come back to the place you are

all my instincts, they return  
and the grand facade, so soon will burn  
without a noise, without my pride  
I reach out from the inside

in your eyes  
the light the heat  
in your eyes  
I am complete  
in your eyes  
I see the doorway to a thousand churches  
in your eyes  
the resolution of all the fruitless searches  
in your eyes  
I see the light and the heat  
in your eyes  
oh, I want to be that complete  
I want to touch the light  
the heat I see in your eyes

love, I don't like to see so much pain  
so much wasted and this moment keeps slipping away

I get so tired of working so hard for our survival  
I look to the time with you to keep me awake and alive

and all my instincts, they return  
and the grand facade, so soon will burn  
without a noise, without my pride  
I reach out from the inside

in your eyes  
the light the heat  
in your eyes  
I am complete

in your eyes  
I see the doorway to a thousand churches  
in your eyes  
the resolution of all the fruitless searches  
in your eyes  
I see the light and the heat  
in your eyes  
oh, I want to be that complete  
I want to touch the light,  
the heat I see in your eyes  
in your eyes in your eyes  
in your eyes in your eyes  
in your eyes in your eyes
