Sometimes I think that I know
What love's all about
And when I see the light
I know I'll be all right

I've got my friends in the world
I had my friends
When we were boys and girls
And the secrets came unfurled

City of brotherly love
Place I call home
Don't turn your back on me
I don't want to be alone
Love lasts forever

Someone is talking to me
Calling my name
Tell me I'm not to blame
I will not be ashamed of love
Ashamed of love

Sometimes I think that I know
What love's all about
And when I see the light
I know I'll be all right, all right
