Released as b-side of "digging in the dirt" single, 1992.

Stand back

Stand back

What are those dogs doing, sniffing at my feet

They're onto something, pickin' up, pickin' up

This heat

This heat

Give me steam

How you feel can make it real

Get a life with this dreamer's dream

Oh, give me steam

Real as anything you see

Get a life in this dreamer's dream

You know your culture from your trash

You know your plastic from your cash

When I lose sight of the track

You know the way back

But I know you

You know your stripper from your paint

You know your sinner from your saint

Whenever heaven's doors are shut

You get them open, but

I know you

Give me steam

And how you feel can make it real

Get a life in this dreamer's dream

Oh, give me steam

Real as anything you see

Get a life in this dreamer's dream

You know your green from your red

You know the quick from the dead

So much better than the rest

You think you've been blessed

But I know you

You know your ladder from your snake

You know the throttle from the brake

You know your straight line from the curve  
You've got a lot of nerve  
But I know you

Give me steam  
And how you feel can make it real  
Get a life in this dreamer's dream

Oh, give me steam  
Real as any place you've been  
Get a life with this dreamer's dream

Oh yeah, I need steam  
Feel your steam around me

Turning up the heat  
I start to dream aloud  
You move my hands and feet  
Won't you step into this cloud  
Of steam  
This steam

Give me steam  
How you feel can make it real  
Real as anything you've seen  
Get a life with this dreamer's dream

Give me steam  
How you feel can make it so real  
Get a life in this dreamer's dream

Help me yeah  
Comin' alive  
In your steam  
Comin' alive  
In your steam  
Comin' alive
