Cover me when I run
Cover me through the fire
Something knocked me out' the trees
Now I'm on my knees
Cover me, darling please
Hey hey hey,
Monkey, monkey, monkey
Don't you know when you're going to shock the monkey
hey hey

Fox the fox
Rat on the rat
You can ape the ape
I know about that
There is one thing you must be sure of
I can't take any more
Darling, don't you monkey with the monkey
hey hey hey,
Monkey, monkey, monkey
Don't you know you're going to shock the monkey
hey hey
shock the monkey
hey hey
Wheels keep turning
Something's burning
Don't like it but I guess I'm learning

Shock!x3 - watch the monkey get hurt, monkey
Shock!x3 - watch the monkey get hurt, monkey

Cover me, when I sleep
Cover me, when I breathe
You throw your pearls before the swine
Make the monkey blind
Cover me, darling please
hey hey hey
Monkey, monkey, monkey
Don't you know you're going to shock the monkey
hey hey hey
shock the monkey
hey hey hey
monkey

Too much at stake

Ground beneath me shake
monkey
And the news is breaking

Shock!x3 - watch the monkey get hurt, monkey
Shock!x3 - watch the monkey get hurt, monkey
Shock the monkey x3
hey hey Shock the monkey
Shock the monkey to life x6
Shock the monkey x13
Shock the monkey to life
