Rows of houses, all bearing down on me  
I can feel their blue hands touching me  
All these things into position  
All these things we'll one day swallow whole

Fade out again  
Fade out again

This machine will, will not communicate  
These thoughts and the strain I am under  
Be a world child, form a circle  
Before we all go under

Fade out again  
Fade out again

Cracked eggs, dead birds, scream as they fight for life  
I can feel death, can see its beady eyes  
All these things into position  
All these things we'll one day swallow whole

Fade out again  
Fade out again

Immerse your soul in love  
Immerse your soul in love
