Dali znaesh mila majko  
shto sum ne sreknja  
Cel den doma sama sedam  
Nadvor ne smejam

[English translation:]  
Do you know, mother,  
How unlucky I am?  
All day I sit at home,  
I am not allowed outside

-----

Dali znaesh mila majko  
shto sum ne sreknja  
Cel den doma sama sedam  
Nadvor ne smejam

Hold the resting, laughing on,  
Hold the rest, then let them go  
Know they're living on ....

Walls alone the lesson.  
Dada don't know, the loss in calling.  
On and on and know 'in there' is in their way.

"More than thinking of the thing."  
to the Nurse said the Second.  
hurting then, ... her denial,  
hurting them, ... can't deny.

On and on let the rain bend our head ...  
On the road let the pain lend us a hand ...  
-hurting then-  
On and on let the rain bend our head ...  
On the road let the pain lend us a hand ...

Hurt!  
Hurting them!

Then all they know.  
All around they go.

To the Nurse said the Second  
-"On and on let the rain bend our head"  
More than thinking of the thing  
-"On the road let the pain lend us a hand"  
The thoughtless may know  
"On and on let the rain bend our head."  
On the road let the pain lend us a hand."

Dali znaesh mila majko
