If I fall short, if I don't make the grades
If your expectations aren't met in me today
There is always tomorrow, or tomorrow night
Hang in there baby, sooner or later
I know I'll get it right

Please don't give up on me
Oh please don't give up on me
I know it's late, late in the game
But my feelings, my true feelings
Haven't changed
Here in my heart

I know, I know I was wrong, wrong wrong, wrong
I'd like to make a mend for the love that I never, ever
shown
Just don't give up on me, every word is true

I'll give you my everything, all of my love, all of my love
to you
Just don't give up on me
Oh please, please, please, please
Baby, don't give up on me.

I, I don't want you to
I know it's late, but wait, please, please, please, please
Don't give up on me

Oh we can make it if we try
Oh hold on baby
Please don't give up on me
Oh hold on baby
Please don't give up on me
I know it's late, but wait
